2010 specs

Bunkering Services

BMS United expands its presence as a physical supplier in the Mediterranean, with its newest physical set-up at the Dardanelles Straits in Turkey. Enabling a new supply option at the Turkish Straits offering Fuel Oil and LSMGO 0,1%, supplying by barge, ex-pipe (Kepez Port) or by trucks, at multiple locations, we answer our clients' needs, ensuring timely, flexible and high-quality refueling solutions in the area.

Using the great location of Bozcaada Island (Tenedos Island) as a base for our bunker operations, allows the owners/operators to save time and money, due to fast and sound deliveries. You can count on us reducing your vessels idle time to an absolutely minimum.

Agency Services

BMS United in cooperation with CLIAS offer a full range of agency services at the Turkish Straits, as well as all the Turkish Ports. Having a vast and widespread network of contacts across Turkey renders us able to offer you bunker fuel oil and all related services here, there and everywhere. You can rely on us 24 hours a day- 7 days a week for the following:

Accurate/Detailed PDA

FDA preparation within 3 working days

Excellent communication with authorities

Quick reporting

Smart ways to reduce costs by foreseeing the hurdles

Smooth crew changing and technician attending

Main Office and Operating Offices at both ends of Turkish Straits

Smooth spare part delivery

Cash to Master delivery in transit, without anchorage

- ONA (Owners Nominated Agency): Full agency service for and on behalf of the ship-owner
- OPA (Owners Protecting Agency): Reviewing the Charterers' agency function
- OHA (Owners Husbandry Agency): Comprehensive service basis supply on time

Deslopping Services

Apart from the port operations, BMS United and Port of Canakkale provide a wide range of 24/7 deslopping services at anchorage areas around the Dardanelles Strait, at very competitive prices, offering our clients the ability to carry out their obligations regarding the waste collection and disposal. Being a member of EUROSHPRE; Port of Canakkale is the leading company in Turkey for the reception of ship generated - slop, bilge water, E/R sludge, solid sludge, waste oil, garbage waste in accordance with MARPOL regulations. Moreover, beside waste reception, we are able to provide demucking, cargo/hold cleaning and gas measuring services.
